About PFEW

Presented by the Foundation for Free Enterprise Education, Pennsylvania Free Enterprise Week (PFEW) is a transformative, week-long summer program where rising high school juniors and seniors learn about business, leadership, and teamwork. Since 1979, more than 54,000 students and 3,000 business volunteers have participated in this life-changing experience at Lycoming College and Pennsylvania College of Technology in Williamsport, PA.

Your Role as a Company Advisor (CA)

As a CA, you'll mentor a team of 18–20 students as they run a simulated manufacturing company. You'll guide their decision-making, share your expertise, and watch them grow while strengthening skills that translate directly to your own workplace success.

- Mentor and inspire future business leaders
- Network with professionals statewide
- Practice leadership, communication, and teamwork
- Share your company and career path with students
- Have fun and make a lasting impact!
