

Wow! To say this summer was PHENOMENAL is an understatement! We were thrilled to welcome 1,556 students into the PFEW family.

But it wasn't just about the PFEW students. More than 12,000 young Pennsylvania lives were transformed this year through our Foundation's three unique educational programs: Pennsylvania Free Enterprise Week, the Speaker Series and The Stock Market Game. The impact being made on our young people is profound!

We invite you to view our 2022 Impact Report (https://www.pfew.org/uploads/resources/477823_2022-free-impact-report.pdf). This comprehensive look at our programs does an extraordinary job of displaying the true power and impact being made on the young people of our great state as they prepare for their success in life.

Below you will find some updates on next summer's PFEW sessions and a chance to rejoin the PFEW family. We hope you will stay in touch and wish you a great fall season!
