

Terry D. Cieri Memorial Fund

Terry D. Cieri, 67, of Spring Township, passed away July 14, 2015, at Atlantic Care, Atlantic City. He was the fiancé of Suzanne Bortz, of Spring Township. Born in Reading, he was a son of the late Angelo and June (Hartman) Cieri. He was a graduate of Reading High School in 1966, Goldey Beacom College and Alvernia University. Terry was employed as a cost analyst for 34 years at Carpenter Technology Corporation. He was a U.S. Navy veteran. Terry enjoyed golf, traveling, Pickelball, cooking and collecting Hard Rock pins.

Terry served PFEW in the role of “Company Advisor” for nearly a decade. As with everything else Terry did, he was completely dedicated to the role, committing a week of his summer every year in service to our mission. Beloved by our staff and his fellow volunteers alike, Terry brought grace and humor to the program and especially to the students who were fortunate enough to be on one of his many teams.
