"Not only did I make a ton of friends but another family was created within my company"

- Brianna Sterling

Family is a term often used around the PFEW offices. The bonds formed at PFEW are lasting and we hear how a group of strangers quickly became a family as they navigated the week together. The staff strives hard to keep this family mentality and to create an experience that have students walking away feeling that comradery with their teams.

And this summer, the PFEW family saw a HUGE milestone. Our 50,000th student graduated from the PFEW family. That is a true testament to the longevity of the program.

Below you will find updates on PFEW and our other programs. We hope you will share this information with any and all friends. You never know who might just benefit from one of our programs. And as always, if we can answer any questions for you or provide you with anything to help spread the word, do not hesitate to reach out to us at amber@pfew.org or 814-833-9576 ext. 6.

PFEW 2024 Application

There are several ways you can be involved!

If you are still in high school or college, PFEW employs several PFEW graduates to assist, behind the scenes, as program interns and resident hall advisors. [Click here](#) to learn about these summer employment opportunities.

Are you currently in the job field? Do you want to help mentor the next generation of the PFEW family? Why not consider becoming a Company Advisor and lead your own group. [Click here](#) to learn about volunteer opportunities.

PFEW Ambassadors Help Grow the PFEW Family!

For the last five years, PFEW alumni have joined the PFEW staff in helping spread the word throughout their school communities. This group of dedicated young people are known as PFEW Student Ambassadors.

The Ambassador program is a leadership opportunity that helps alumni grow as a young professionals and gain valuable skills for their future endeavors. They become an authentic voice of PFEW by sharing their personal experiences with prospective students and educating them about the power and value of PFEW.

This year, we are pleased to have 58 Alumni join us as our 2024 Student Ambassadors. To see the current list of Ambassadors, [click here](#).

Become Invested with The Stock Market Game

Another program that we offer is The Stock Market Game (SMG). SMG is an online simulation of the global capital markets that engages students in the world of investing and personal finance and prepares them for financially independent futures. Students are challenged to develop a successful portfolio by investing a virtual \$100,000.

Students can take part by getting their schools involved. All you need is an educator who will act as the teacher liaison for student teams.

Adults can help sponsor teams from their local school districts to be able to play SMG.

Foundation Speaker Series Continues To Grow

Our Speaker Series is an online library of video resources geared toward workforce preparedness, career exploration and preparation, motivation, and skills development. The Speaker Series is comprised of informational videos focusing on students' inspiration, personal development, career exploration and workforce preparedness.

We continually add new content to our Speaker Series and this fall we're getting ready to add even more. From new videos to regional programs, the FFEE Staff is always on the hunt for valuable opportunities to help our students explore careers and map out successful futures.

Looking for a local leadership program, scholarship or job opportunity? Check out our Regional Programs page for the latest offerings. Don't see a local program in your area that should be shared? No worries! Submit a regional program offering by [clicking here](#) now.

Have a great career or skill that you want to share with future generations or know of someone who might make a great addition to our library? Sign up today to film a Speaker Series video. For more information on how to volunteer for a video, simply [click here](#).
