Greetings!

Welcome to the fall edition of the PFEW Alumni News!

This past summer, 2,108 students graduated from PFEW 2017. This was the largest class in PFEW's 39 year history! We are so pleased to welcome them to the "PFEW family".

Below you will find some statistics about this summer along with photos. You will also find information on how to better stay in touch with the PFEW staff, as well as ways you can help them.

We are excited to be able to expand the PFEW family each year and look forward to keeping in touch with our Alumni over the years.

Sincerely,
The PFEW Staff

Staying Involved
Where Are Our Alumni Now?

Tell Us About Where You Are Now and What You Are Doing!

Did you love your PFEW experience? Do you use the skills you learned at PFEW in your life? Are you doing something great?

If so, we want to hear from you! Send us at least a two-paragraph testimonial and a current photo. You may be featured in one of our upcoming newsletters. Email all testimonials and photos to amber@pfew.org.

PFEW Because

We are launching "PFEW because", a new feature which highlights brief stories, vignettes, and photos of what binds us all together, this family, this amazing thing we call PFEW. Look for "PFEW because" everywhere, on social media, in future publications, literally everywhere you see PFEW. We hope you enjoy it, and we hope you get a sense of the lasting power of the PFEW experience! Follow us on the social media links (above left) to be sure you don't miss out on this exciting new campaign!

Share An Application With A Friend or Family!

We hope you will help us spread the word about PFEW and ask if you could PLEASE pass a PFEW 2018 application on to someone you deem to be PFEW material. You can print a copy of the application by clicking here. (feel free to make copies to distribute to all of your peers).

We THANK YOU for all of your recruiting help in advance! We couldn't do it without you! Feel free to email me, if you or any of your friends have any questions, at amber@pfew.org or contact me by phone at 814-833-9576 ext. 6.

Want to Give Back to PFEW?

SHARE
Please share your stories, PFEW memories & successes with our staff. We are always looking for different Alumni to feature in our E-letters & newsletters. Maybe you could be next?

DONATE
Each summer hundreds of students take the PFEW journey & each of these students are in need of "scholarship" money. No amount is too small & every penny helps a deserving student get to the program.

PROMOTE
Help us spread the word at your school or Alma Mater. If you know of a teacher, counselor, administrator or club advisor who might be interested in PFEW, we'd love to send them our promotional materials! Feel free to contact Amber to get more information to share.

Pictured above are six Company Advisors who serve together at Lycoming College during Week IV. These amazing people are all PFEW graduates who have returned as adults, giving back so students can have the same amazing PFEW experience they did. Pictured here (front row, l to r) are: Addie Lazzell, Naiya Patel, John Lugg, and (back row, l to r) Scott Aronow, Eric Shannon, Marianne Wimer.

These six are just a few of the many wonderful Alumni who are shining examples of what makes PFEW a family. Last summer, twenty-four (24) alumni rejoined the PFEW family as Company Advisors (CAs) for PFEW 2017.

If you are an alumni who has finished college or is currently out in the workforce, we'd love to have you back. Consider mentoring a group of students just as your CA did for you! No business experience necessary! All you need is a sincere interest in working with a group of young people. You can find additional information about being a Company Advisor by clicking here.

Not quite out of college yet? Then consider joining us as a Resident Hall Advisor in 2018! Help create a memorable PFEW experience for the next generation. Information on summer employment opportunities can be found by clicking here.
